

SCHEDULE & DATES

Classes and workshops are announced in the beginning of each semester: in January for the period January to April, in April for the period April to July and in September for the period September to December.

The semester schedule can be found at the bottom of the page "Baby Courses" or "Workshops and talks" in the form of PDF.

We meet weekly at our locations (Zurich City- La Escuelita, Enge - Academicus and Thalwil-Arcus), except the school holidays for Canton Zurich. Please check our schedule before coming to the class/workshop to make sure that it is not a Cantonal holiday.

REGISTRATION

Online registration is mandatory. You can register using the pink button next to each class/workshop. On our event listings on Facebook, Kalinda etc. you can use the link mentioned in the event info. It will bring you to the same registration page. At each location we have different classes and workshops - hence a different link for registration.
